

## Past meetings

- [ZOOLOGY 2019 – “Learning and Memory in the Animal Kingdom – from nematodes to humans”](#), 27-29 November 2019, Groningen (The Netherlands).
- [ZOOLOGY 2018 - "Zoology in the Anthropocene"](#), 27-29 November 2018, Antwerp (Belgium).
- [ZOOLOGY 2017 - "Genotype-phenotype map: from model systems to ecosystems"](#), 23-24 November 2017, Wageningen (The Netherlands).
- [ZOOLOGY 2016 - "Nature Conservation in a Changing World"](#), 15-17 December 2016, Antwerp (Belgium).
- [ZOOLOGY 2015 - "Dynamic Ecology and Evolution"](#), 8 - 9 October 2015, Amsterdam (The Netherlands).
- [ZOOLOGY 2014](#) (21st former Benelux Congress of Zoology), 12 - 13 November 2014, Liège (Belgium).
- [International Conference on Individual Differences](#) (20th Benelux Congress of Zoology), 1 - 3 November 2013, Groningen (The Netherlands).
- [Integrative Biology - From Ecology to Molecules](#) (19th Benelux Congress of Zoology, 19-20 October 2012, Brussels, Belgium).
- [Evolution - Brain - Cognition](#) (18th Benelux Congress of Zoology, 2-4 November 2011, Utrecht, The Netherlands).
  - Includes the NVG-sponsored symposium "Sexual conflict and behavioural traits: steps towards a mechanistic integration".
- [Classic Biology in Modern Times](#) (17th Benelux Congress of Zoology, 22-23 October 2010, Ghent, Belgium)
- [Zoology: Shaped by Evolution](#) (16th Benelux Congress of Zoology, 28-30 October 2009, Wageningen, The Netherlands)
- [Communication in Animal Biology](#) (15th Benelux Congress of Zoology, 30-31 October 2008, Luik/Liège, Belgium)
- [14th Benelux Congress of Zoology](#) (1-2 November 2007, Amsterdam, The Netherlands).
  - Proceedings published in [\*Animal Biology\* 59\(4\)](#)
- [Integrative Zoology](#) (13th Benelux Congress of Zoology, 27-28 October 2006, Leuven, Belgium)
- [12th Benelux Congress of Zoology](#) (26-28 October 2005, Wageningen, The Netherlands)
  - A selection of papers from the session "Animal Behaviour" of the 12th BCZ, including a preface by the session organiser Joris M. Koene. Published in [\*Animal Biology\* 56\(4\)](#)
  - A collection of papers written by contributors to the congress, including a preface by two of the organisers

Sander Kranenborg and Johan van Leeuwen. Published in *Animal Biology* 57(2)

- Impacts of Global Climate Change on Animals (11th Benelux Congress of Zoology, 5-6 November 2004, Louvain-la-Neuve, Belgium)
- Causation, Function, Development and Evolution (10th Benelux Congress of Zoology, 7-8 November 2003, Leiden, The Netherlands)
- Adaptation and Constraint (9th Benelux Congress of Zoology, 8-9 November 2002, Antwerp, Belgium).
  - Proceedings published in the *Belgian Journal of Zoology* 134(2)
- The Animal in Zoology: Tool or Target? (8th Benelux Congress of Zoology, 23-24 November 2001, Nijmegen, The Netherlands)
- Zoology, Back to the Future (7th Benelux Congress of Zoology, 24-25 November 2000, Brussels, Belgium)
- DNA Technology, A Tool for *Integrative Zoology* (6th Benelux Congress of Zoology, 19-20 November 1999, Utrecht, The Netherlands)
- Phylogeny and Biodiversity (5th Benelux Congress of Zoology, 6-7 November 1998, Ghent, Belgium)
- 4th Benelux Congress of Zoology (14-15 November 1997, Utrecht, The Netherlands)
- 3rd Benelux Congress of Zoology (8-9 November 1996, Namur, Belgium)
- 2nd Benelux Congress of Zoology (16-17 November 1995, Leiden, The Netherlands)
- 1st Benelux Congress of Zoology (4-5 November 1994, Leuven, Belgium)
  - Proceedings published in the *Belgian Journal of Zoology* 125(1)
